PROFESSIONAL SUMMARY

Frontend Developer skilled in HTML, CSS, JavaScript, and React.js, with an interest in building responsive and user-friendly web interfaces. Familiar with basic UI design using Figma, Adobe Photoshop, and Adobe Illustrator, along with AI tools such as Claude AI. Seeking an entry-level Frontend Developer role to apply my skills and continue learning and growing professionally.

INTERNSHIP

Mechnido Seed — Frontend Developer Intern

3 Months, 2026

- Completed a three-month internship focused on practical web development and frontend development.
- Gained hands-on experience in building and styling web interfaces using HTML, CSS, and JavaScript.
- Worked in a professional development environment and gained practical exposure to project-based learning.

PROJECTS

Gym Website

- Developed a responsive gym website with a clean and user-friendly frontend interface, implementing layouts, navigation, and interactive elements using HTML, CSS, and JavaScript.

Fundun Holidays – Travel Website

- Designed and developed a travel website focused on South India tour packages, with sections for packages, destinations, booking, reviews, and travel information.

Mseed Website

- Developed a responsive website using HTML, CSS, and JavaScript, including custom banners and visual content.
